About Agie Charmilles

GF AgieCharmilles is the world's leading supplier of machines, automation solutions and services to the tool and moldmaking industry as well as to manufacturers of precision parts and components.

GF AgieCharmilles' products range from electric discharge machines (EDM) and high-speed (HSM) and high-performance milling (HPM) centers through tooling, services, spare parts, wear parts and consumables to automation solutions.

About U.S. Bank Equipment Finance

For more than 25 years, the Machine Tool Finance Group of U.S. Bank Equipment Finance has been committed to helping businesses finance their manufacturing equipment.

U.S. Bank Equipment Finance is one of the largest bank-affiliated equipment finance companies in the nation. As a subsidiary of U.S. Bank, the sixth largest commercial bank in the country, it has the financial strength and expertise to support your equipment needs.

Subject to normal credit approval.
 Rates subject to change.
 Delivery and acceptance date determines current monthly rate.
 Multiply the payment factor by the amount financed to determine your monthly payment.
